

## Online map of Berlin – Best way to print your own map

1. Choose your internet browser and type: [www.maps.google.de](http://www.maps.google.de)
2. Please type in the address line: [sonnenallee 225, berlin](#)
3. Use the zoom function and you will get:

Airport Berlin-Tegel (TXL)

Airport Berlin-Schoenefeld (SFX)

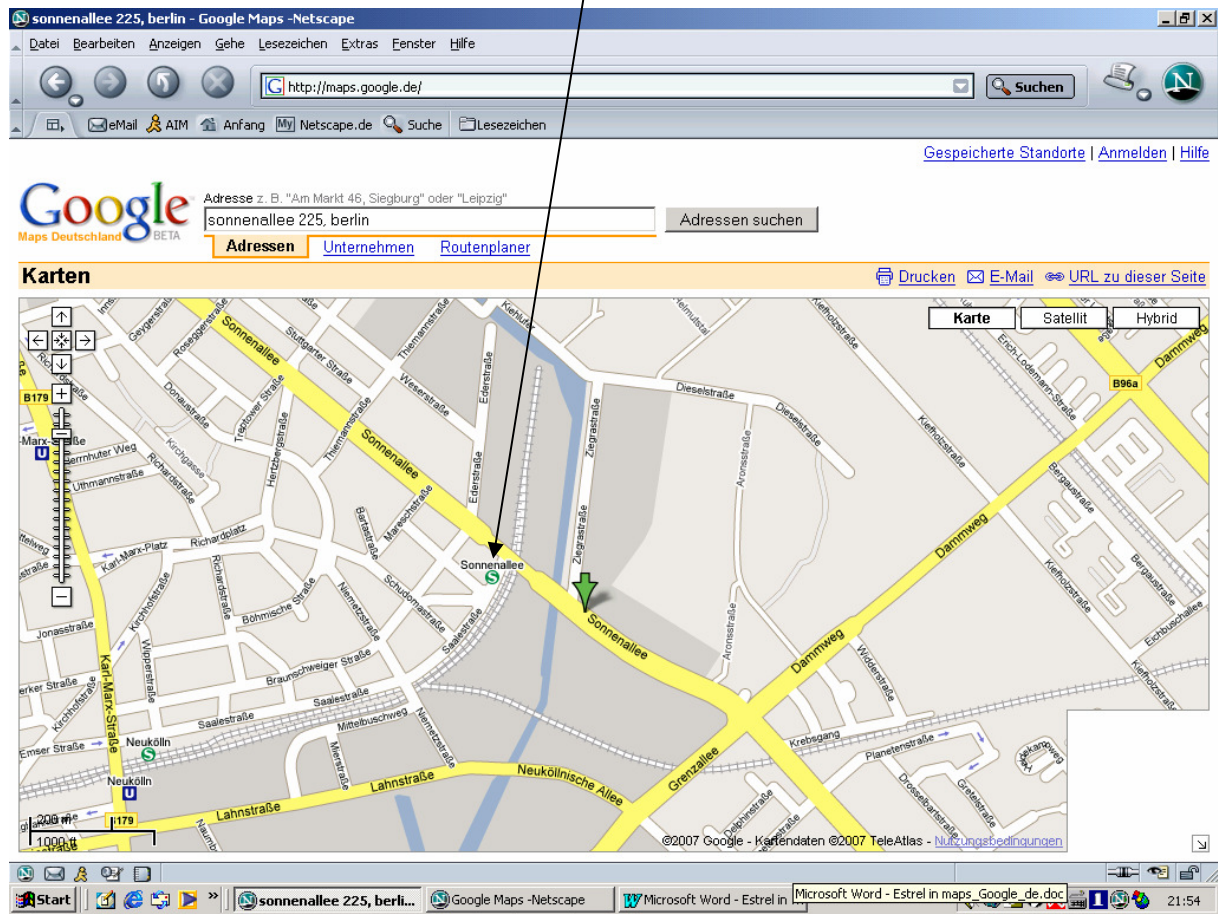

The green arrow shows the position of the hotel in the south-east of the city of Berlin.

Here are some photographs of the hotel, which has a special architecture.

The best City train station (S-Bahn) to reach the hotel is “Sonnenallee”:

Using the “Hybrid” function you will see a photograph, showing embankment of railway and water of a canal which is nearby:
