DATUM 31. August 2004

Scientific Symposium „Risk Management for the Limitation of Antibiotic Resistance“, 15th and 16th November 2004 at Berlin

Dear ladies and gentlemen,

I hereby wish to invite you to the symposium „Risk Management for the Limitation of Antibiotic Resistances“ on the 15th and 16th of November 2004. It will take place at the Federal Office of Consumer Protection and Food Safety in Berlin.

The symposium is an initiative of the Federal Ministry of Consumer Protection, Food and Agriculture (BMVEL), the Federal Office of Consumer Protection and Food Safety (BVL) in cooperation with the Federal Institute for Risk Assessment (BfR).

The symposium in Berlin is the follow-up of the international symposium “Risk Assessment of Antibiotic Resistance”, which took place in November 2003. This year risk management recommendations to limit and prevent antibiotic resistances are going to be discussed. The symposium wishes to address national and international experts in the field of antibiotic resistance research and consumer health. Interested guests are welcome.

The symposium will take place at the Federal Office of Consumer Protection and Food Safety (BVL), Diedersdorfer Weg 1, 12277 Berlin-Marienfelde. The conference languages are German and English.

Kind regards

Dr. Christian Grugel
